Girls State is more than just learning

BY MRS. MEAD
AZGS Managing Editor

Welcome to the 76th Annual Arizona Girls State session. Congratulations on being chosen as a delegate. Your leadership and academic skills have given you the opportunity to represent your school, community and local American Legion Auxiliary Unit at this amazing program.

We as staff are proud to have you here and hope that your learning experience is one that you will take with you.

Girls State Sponsorship

Girls State is sponsored by The American Legion Auxiliary. The Auxiliary is dedicated to helping veterans as well as our future leaders, such as you.

Established in the early twentieth century, the Auxiliary has grown to nearly one million members. In 1919, the American Legion Auxiliary was created, dedicated to supporting the United States Armed Forces and all of the veterans.

Today, the ALA has over twenty national programs that benefit through money and other donations. Two of the ALA's most well known programs are Girls State and Girls Nation.

New Experiences

This week is going to be full of new adventures and new experiences. Some good and some perhaps not so good. We do hope that you consider each experience a stepping stone for your future.

Your first day brought you to a dorm filled with new and exciting young women who were just as nervous as you. Yet, each of you took time to either stand out in the hall and create a greeting line or wander from room to room introducing your self and saying hello.

Each day here will bring fun and learning with all the excitement of something new. Did we mention lack of sleep? The sleep

thing never really gets better with all those exciting emotions and all the new stories. Yet, the lack of sleep will be worth all the great memories.

The week to come

During this week you will learn about city, county and state government with emphasis being placed on political parties, campaigns and elections.

That is right, there will be Federalist and Nationalist parties. *Party rallies here we come!!*

Also there will be voting and a general meet the candidate night. This night gives you a chance to get out there and show the entire state why you would be perfect for each office. Get out there and be creative.

Within your city you will be able to run for offices, set laws and create your very own city. Creations from businesses to parks and recreational facilities.

Did we mention that you will get to decorate your city. Each door in your city will represent a business within your community. Be creative and show your design side. *These will also be judged for awards!!*

While the cities are important please do not forget about the county and state positions as well. There will be lots of county positions to run for as well as state positions.

Did we mention Governor or how about Secretary of State? Don't forget the illusive Girls Nation Senators as well.

Fun, Fun and MORE FUN

This week there will not only be meetings and speeches, there will be FUN. There will be leisure time in the dorms and perhaps some outside activities to keep down stress.

We have glee club that will be practicing all week to sing us some amazing songs during our Magical Evening on Friday.

There will be a talent show held on Thursday evening. A fun way for each of you to show off your talent. Please keep an

eye out for the sign up sheet.

Did you see the mention of the magical evening? Oh yes we have a wonderful evening of dinner and harmony planned with some very special guests.

We will round off our week with an awesome court trial on Friday!! Your court officials that you elect later this week will be working on that one.

Oh and of course there will be PIZZA!! Yes there is even a pizza party this week.

Don't forget all of our wonderful guest speakers that are sure to keep you laughing and learning.

Please Remember

Please be respectful of the staff and other citizens as we are all here to learn and have fun.

DO NOT FORGET THE 3 B'S:

- Book - *Girls State Book*
- Bag - *If you carry one*
- Bottle - *Water bottle*

Be mindful of your things in your rooms. If you have valuables that you would like to have secured please see your City Advisor. Keep an eye on those room keys as you do not want to get locked out of your room.

Never leave your city without first signing out or letting your advisor know where you are going and why.

If you are feeling ill or become injured remember to see the nurse. Don't wait if you feel sick. The nurses are located on the 5th floor.

B's Stop & Shop!!

B's Stop & Shop is our official Arizona Girls State Store. They have so much to offer, from t-shirts, blankets, stickers, cards, snacks, key chain accessories, and SO MUCH MORE!! Stop by the store and see what wonders they have to offer. Do not fret there will be a day of shopping for each city this week as well as plenty of time to stop throughout the week..

Prepare to be entertained at the Annual Girls State Talent Show!

Do you have that one special talent that sets you apart from the rest? Do you love to sing, dance or act on stage? If you answered yes to either of these questions then we want you for our Annual Talent Night!

Thursday has been set aside just for you to show all of us here your very own talent. Strut your stuff or rock the rafters with that amazing voice.

Of course no talent show is complete without the auditions. All talented citizens are encouraged and must attend the auditions in order to participate. The sign up sheet is already down on the window of office on the first floor near flag.

Remember to bring all of your needed materials for your talent with you at the time of auditions as

we need to see exactly what it is you will be doing for the show.

For all questions and comments concerning the event, please see Mrs. Shields in room 628 or Ms. Laughlin in room 414.

76th Annual Girls State begins with registration and greetings

BY MRS. MEAD
AZGS Managing Editor

Yesterday each of you began your journey to Girls State by packing up the car and heading to Tucson with your parents and family. Some of you traveled all the way from the Grand Canyon while others came from Yuma and all over in between.

Once you arrived you started out in line waiting to get your first set of instructions and see just how this week was going to be.

First you started with a warm greeting from the UofA staff giving you your handbook and room assignments. The wonderful staff was so gracious to lend us a hand checking you in today.

Next it was off to see the nurses where you dropped off those wonderful yellow cards and the parents could chat with our team of nurses that you will see off and on all week. They are awesome and very caring!

Now you turn and off to the Store/Bank where you meet our lovely store staff and have the opportunity to bank

your money so that you do not lose it this week. Remember you will have plenty of opportunity this week to stop in the store and pick up some great items, like shirts, blankets, bookmarks, stickers, snacks and of course WATER!!!

After the bank it was off to yet another room where you were greeted by the UofA staff to help you get the room key for your new home away from home for the week! Please be sure and keep those keys on your lanyard and do not lose them!! Also be mindful when closing your doors so as not to lock yourself or your roommate out of your room.

Next you were off to have your amazing picture taken for your photo ID badge that you will be wearing during your week here at Girls State. *Please be sure to always have this on as it is part of your uniform.*

Then it was off to get those new beautiful berry colored shirts that will tell everyone on campus that WE ARE GIRLS STATE in a sea of beautiful berry. Don't worry about only getting two, there will be laundry days, we promise.

Finally it was off to the elevator where the advisors told your parents that it was time to leave you to adventure Girls State on your own. Don't worry they will see you again on Saturday!!

Once you stepped out of the elevator you were greeted by our amazing junior counselors who helped get you headed to your new city.

Here you were greeted by your City advisor as well as your new city citizens. Remember that you will be with these ladies for the next week so make the best of each situation.

Now that you are in your rooms and beginning the program take a quick moment to thank those that helped get you here today. Each of the Girls State staff members have volunteered their time to help make this a wonderful experience for each one of you. If you see them wondering the cities or during session give them a quick thanks for everything. They are sure to enjoy it.

Have a great week and enjoy every moment!

Calling all Glee Club enthusiasts

Do you love to sing or play an instrument? How about lead the choir during a big show? If you said yes to either then we have the club for you! Come on down and join our Glee Club.

We are looking for talented young ladies to perform at our Magical Evening dinner. After all, what is dinner without a little music?

The first meeting and auditions will be

held on Monday starting at 4:15pm in the Great room 140. Please be sure to bring your instruments with you if you have them. Also perhaps a few song ideas as well. Please note you must be present at the first meeting in order to participate.

If you have questions please see Mrs. McMullen in room 214.

Good luck ladies and we cannot wait to hear those wonderful chords on Friday.

Opening Session At Girls State

BY MRS. MEAD
AZGS Managing Editor

Last night was an amazing first night. There were many wonderful speakers and lots of fun. To open the evening our color guard posted our very patriotic colors. We were introduced to our wonderful Governor Esther Malish and Secretary of State Stella Lipson. Each welcomed you and wished you the best time here at Girls State as well and to reach for your goals and make the best of the week you have here.

Next we had greetings from three of our state government officials. Senator Sinema was gracious and excited to welcome you all here and wishing you a great week.

Senator Kelly reminded all of us how far women have come in politics and how great it is to see the accomplishments and legacies being made.

One of our AZ Alumni, State Treasurer Kimberly Yee welcomed you all and talked about her experience at Girls State and explained a breakdown of the Arizona executive branch. What a great speech.

We had a wonderful flag ceremony presented by Post 36's Copper Knight Color Guard and Ms. Solis. During this presentation the 13 folds of the flag were explained so that you will be able to understand why these ceremonies are so important and such a treasure. It gives true meaning and respect to all those who have fought bravely for this country.

Following the amazing flag presentation you saw a video from Mrs. Sandra Rice that explained the purpose of Girls State and how important it is to be yourself. Each one of you is special and has potential. Stand out and be yourself. Don't let others make your decisions for you. Just B U.

We enjoyed an amazing presentation for the lovely ladies on staff. This presentation explained all about the American Legion Auxiliary and how we help not only our veterans but our communities as well. Awesome job ladies for the great presentation.

Let's not forget our wonderful and talented JC's, who modeled for us just before dinner. These lovely ladies were

kind enough to show you all the store has to offer. Remember "Stop N' Shop" has all that you are looking for while you are here at Girls State. From clothes, blankets, stickers and all sorts of snacks and drinks.

After dinner we enjoyed more learning and fun from two guest speakers.

We started with our very own Arizona Secretary of State, Adrian Fontes. He gave us a great presentation on the function of political parties. What a great start to our week of guest speakers.

Next we closed the night with Chris King speaking on the role of Precinct Committeemen. He started us off with some dad jokes and then really got into some great information. He really kept us all captivated with all sorts of information. Such an interactive speaker.

Ladies a great job on all the wonderful and interesting questions. Way to stay on topic and keep our speakers thinking. Keep it up this week with all of the wonderful guest speakers to come.

As our Governor stated, remember to participate and stay involved.
